Dear Friends,

We hope this finds you doing well in the midst of these challenging days. How we all miss being able to see each other, and to gather together for worship, fellowship and ministry!

Please visit our church website to view a new Video Message posted yesterday, in which I talk about how the Ascension of Jesus (commemorated this Thursday, May 21) brings us “strength for today and bright hope for tomorrow” (from the hymn, Great is Thy Faithfulness).

Let’s continue to pray for one another, and for our nation and world, that the days of this Covid-19 pandemic may be mercifully shortened, and that all may come to know the peace that is found only in Jesus.

Blessings in Christ,  
Pastor Paul & Janet
