Your Congregation's 5 Year Trends are from your statistical report. Goals and conflict rating is from the Church Council.

While we have had many eyes and revisions on creating this table, we understand that as with any significant project, there may be mistakes in the numbers below.

**\*\*For EPA Churches\*\*:** Please note we are still working to migrate church financial information into Arena. The following fields will be incomplete in the table below: % of budget given to mission, Congregational Vitality Markers, Total Missions Giving, % Connectional Ministries Paid, % Billings Paid, Sustainability Level. We expect for this information to be complete by **May 19th**. Thank you for your patience and grace.
